

BASKETBALL II -1503315

Grade 9-12, Credit .50

Prerequisite: Basketball I

Basketball II is a high school PE elective. Students must have had Basketball I prior to taking Basketball II. In Basketball II, fundamentals will be reviewed while more advanced drills will be introduced. Students will learn how to create an inbound play. They will have more time to spend playing games where they can put into effect the defensive strategies learned in Basketball I.
