

McKINZEY MIDDLE
GOLDEN LIONS
BOLD. BRAVE. FEARLESS.

Charlene McKinze STEM Academy FAQ

The purpose of the Charlene McKinze STEM Academy is to teach learners to explore, create and innovate by engaging learners in problem-solving using the Engineering Design Process. Learners will be immersed in experiential learning with STEM integration in the core courses. Learners will also have design time built into the schedule that will allow them to work on design challenges and project/problem-based learning incorporating design thinking within an innovative learning environment. The Academy will ultimately prepare learners to pursue STEM interests in high school and post-secondary education.

CURRICULUM

What does STEM stand for?

STEM is an acronym for science, technology, engineering and math.

Will the Charlene McKinze STEM Academy be different than a traditional school?

Yes. The STEM lessons are designed to give learners hands-on learning experiences that challenge learners to think critically, value mistakes and learn from them. Learners are encouraged to create, build and think “outside the box” as they learn 21st century skills vital to success in life – communication, collaboration, creativity, character and citizenship. Critical thinking skills are incorporated into the curriculum along with STEM field trips and integrated lessons designed by the teachers. Learners will experience different aspects of science, technology, engineering and math to help advance their interest in STEM fields.

Will learners follow the state educational standards and MISD curriculum?

Yes. By law, MISD must follow the state standards. Brenda Norwood STEM Academy will follow the MISD curriculum, which is aligned with the state standards. Teachers will integrate STEM instruction within the core classes.

Will my child have access to clubs and extracurricular activities?

Yes. The STEM Academy will have a variety of clubs to experience during the school day and after school.

Will my child participate in P.E. and Fine Arts?

Yes. Learners at this Academy will continue to participate in P.E. and Fine Arts as required by the Texas Education Agency.

ENROLLMENT / APPLICATION

Who can apply for the Charlene McKinze STEM Academy?

Any MISD learner going into the seventh or eighth grade can apply for the Charlene McKinze STEM Academy.

What are the qualifications for acceptance into the STEM Academy?

McKINZEY MIDDLE
GOLDEN LIONS
BOLD. BRAVE. FEARLESS.

The STEM Academy is looking for learners who are inquisitive and excited about learning more about science, technology, engineering and math. STEM learners would be most successful if they are reading on grade level and performing on grade level in core subjects. Detailed information about criteria can be found on the application when available.

Is this Academy free?

Yes. There is no cost to attend Charlene McKinze Middle School or its STEM Academy program.

How do I apply?

Applications will be completed online. When available, a link to the application page will be posted on the [MISD Power of Choice web page](#).

What is the timeline for the application process for this Academy?

Applications will open in the spring of 2021. Specific dates have not been determined at this time.

How will I know if my child was accepted, and when will I find out?

Each applicant will receive a decision letter by email and will be required to return a commitment letter to the Academy. Dates are to be determined.

How are learners selected?

A random lottery will be completed for all learners who follow the requirements of the application process. Consideration will be made for equal representation from all areas of the Mansfield ISD..

How many learners will be accepted in each grade?

There will be 150 learners accepted for the seventh grade and 150 learners accepted for the eighth grade.

Will transportation be provided?

Yes. Transportation will be provided to any learner accepted who resides in the MISD attendance zone.

Are there other schools I can apply to if my child does not get accepted?

Yes. Any MISD learner can apply for a transfer to any of the [choice schools](#), as space is available. If you are interested in attending other choice schools, please contact MISD Student Services at 817-299-6388.

ADDITIONAL INFORMATION

Are there any information meetings scheduled for me to get more information?

Yes. Parent information meetings will be held in the fall of 2020. Dates and locations will be announced, when available, on the [MISD Power of Choice web page](#).

Whom do I contact for more information?

Please feel free to contact Christie Alfred at ChristieAlfred@misdmail.org if you have any other questions.
