

PARENT ACCESS

WAY Academy of Flint

In Case you Missed It

In April, we had a great Parent Zoom meeting full of tips and resources on how your student can thrive while working from home. We are hosting this Zoom HERO meeting again on **May 19th @7pm** in case if you missed it, want a refresher, or want your student to join in! If using your computer, you simply click the link below. If using a phone, click the link and download the free app and you're ready to go!

Food Sites for Students

While school buildings are not open, there are many sites around Genesee County where anyone ages 19 or younger can pick up meals. You are not required to be a student at those schools to participate. Check out the links below regarding food distribution and other resources for families:

Hello, WAY Families,

It has been nice to have the sun coming out more often and the days getting longer and warmer. We hope that you all are doing well and staying healthy. On behalf of all of the staff at WAY, I can say that we sure miss getting to see the students each day during the week and we look forward to when we get to see you all again in person.

While we are away from lab, our staff is still working hard to connect with your students and help them thrive during this time. Please check out our next Parent/Family Zoom meeting (on the upper left) and never hesitate to contact us during the week if you have questions or concerns. Have a wonderful month of May!

Susan Wagner

Social Studies Teacher, Mentor, & Parent Liaison

Please be on the lookout for our June Parent Access newsletter!
