Subject: Senior Update

Dear Families of Ludlowe Seniors,

As you know, Governor Lamont has issued an order closing schools in the State of Connecticut for the remainder of the 2019-20 school year. Unfortunately, this announcement will require us to cancel the senior prom and the senior internship.

Please know that even though schools will remain closed, we are committed to celebrating our seniors. To that end, both high schools continue to collaborate to plan a ceremony that recognizes their accomplishments in a safe and appropriate manner. This also includes award ceremonies and other various rites of passage. Please be patient on hearing the details as we just learned of the schools closing officially yesterday, so we will begin to finalize details on our contingency plans in the near future.

Please be on the lookout for a small token of appreciation of our seniors later this week (it's a surprise).

We understand how important this is to our seniors and their families and we will keep you updated as new information becomes available. We have some great ideas in the works and it is very important that despite these current circumstances, to honor our seniors in a memorable way.

I sent a message to the seniors last night on the Class of 2020 Google Classroom. Please have them take a look if they haven't already.

Thank you,

Greg Hatzis
