To Novi Community School District Parents and Community Members:

Our Novi Community School District Food Service team provided breakfasts and lunches to 736 families yesterday. We are appreciative of their work and grateful that we can support Novi families during this tumultuous time.

A community resource that is available to all of us is Novi Youth Assistance. They provide a variety of resources for families in our community. Information on Novi Youth Assistance can be found here:

High school summer school enrollment continues. You can find the registration link on our district website under the Community Tab and the Community Education link or here:

We are still planning on running our in person summer school program. If and when we get more information and direction from the state on what will be allowed, those plans may change.

Thank you for your continued support.

Gratefully and Appreciatively,
Steve M. Matthews, Ed.D.
Superintendent

Students who are passionate, empowered, and prepared for their world and their future.
