

CANTERBURY SCHOOL
ANNUAL REPORT
OF GIVING

2018-2019

Dear Canterbury School Community,

In the spirit of deep gratitude, I am pleased to present Canterbury School's *Annual Report of Giving*, a tribute to the thousands of alumni, parents, grandparents, and friends whose generosity makes it possible for our School to sustain the highest standards of excellence for our students.

In the 2018-2019 fiscal year, Canterbury once again benefited from extraordinary fundraising results, leaving our institution positioned for success in this year and beyond. Altogether, new gifts and pledges totaled more than \$10.8 million, directly supporting our students, faculty, and our vital mission of preparing young men and women to lead lives of humanity and purpose.

Through truly transformative philanthropy, *Mission & Momentum: The Campaign for Canterbury* reached \$74 million toward our \$90 million goal. We opened the 2018-2019 school year with a newly-renovated Maguire Auditorium, which was funded entirely through the generosity of donors. We received an extraordinary commitment of \$1 million to name the M. & D. D'Amour Center for Faith, Service & Justice. We garnered the support and affirmation of 81 donors who, within one year of announcing our \$17 million Hilltop Projects, committed more than 90 percent of funding for the new Steers Center. Additionally, new gifts and pledges to our Endowment exceeded \$460,000, evidence of the far-sighted dedication of our donors who invest in Canterbury's future.

As you know, the Annual Fund remains Canterbury's highest priority and most essential yearly fundraising effort. The 2018-2019 Annual Fund raised a collective \$1.4 million for the School's operating budget, boasting a record 13 percent increase over the previous year and realizing increased participation across every constituency. Our gratitude for this broadening community of donors cannot be overstated, for they are providing steady, renewable, and increased support for our mission and are deepening the culture of philanthropy at our School—perhaps the most critical components to our vibrant financial future.

Beyond the dollars raised, these achievements would not have been possible without the steadfast leadership of our Board of Trustees, as well as the volunteerism of dedicated alumni and parents who hosted events, led Reunion efforts, and made calls on our behalf. We are indebted to their generosity of spirit and service and inspired by their extraordinary engagement with our School.

Again, we humbly recognize the names on the pages that follow. We thank you all for the foresight of your investments, the loyalty expressed by your steady support, and the enthusiasm that we all share for this remarkable school.

Gratefully,

Rachel E. Stone
Head of School

THE CARILLON SOCIETY

The Carillon Society was established to honor and thank alumni and friends who make provisions for Canterbury in their long-range financial plans through bequests, trusts, insurance policies, or other means. Membership in the Society confers special recognition on benefactors who have decided to reach beyond their own lives to enhance opportunities for future generations of Canterbury students.

The following, having informed Canterbury of their gift plans, are members of the Carillon Society:
