Dear Families of K-2 Students: We invite you to take this short survey on the Morris School District Virtual Learning program. All responses are anonymous. Your feedback and suggestions will help us continue to improve instruction during our extended school closure. If you have more than one child in grades K-2, please complete a separate survey for each child. Where applicable, please answer the questions in consultation with your child so that the responses reflect your child's perceptions as well as your own.
