

MISD Connect

September 2018

Hello, MISD Family!

Welcome back to MISD Connect, our monthly newsletter that keeps you up to date on all things MISD. We have many things to celebrate in our first month back at school! Both Midlothian High School and Heritage High School's football teams are undefeated; we honored our grandparents, and our students have worked together each day to learn and grow into the best versions of themselves. To stay updated every day, follow us on [Facebook](#), [Twitter](#), and [Instagram](#).

J.R. Irvin Groundbreaking Ceremony

Thank you to our community for joining us this week for the J.R. Irvin groundbreaking ceremony. This new school would not have been possible without your support, and next year our children will have an innovative space to help them unleash their creativity. Irvin fourth-grader Ryleigh, who spoke at the ceremony, is especially excited for the moveable walls and new theater for music!

J.R. Irvin Elementary Zoning Plan and Timeline

As we work hard to open our new school, we are also looking at the zoning plan for MISD. Ideally, the new zoning plan will effectively manage growth as we average around 500 new students each year, keep whole subdivisions intact, and ensure we are maximizing enrollment at each school while providing consistent student numbers at each elementary campus. We value your input, and we will provide several opportunities for you to provide feedback and gain more information about the zoning options.

Timeline

Zoning options are presented to our community on the MISD website. You will have an opportunity to provide your feedback on the zoning plans.

We would like to extend a warm welcome to our 2018 - 2019 INSIDE MISD participants! Thank you to our parents, grandparents and community members for joining this program and partnering with us.
