MAY 9th @ noon LAST CHANCE TO PURCHASE RAFFLE TICKETS

> 2:00PM WINNER IS ANNOUNCED

#### MAY 10th @ 9:00PM VIRTUAL AUCTION ENDS

# FROM OUR DIRECTOR

Welcome, and thanks for showing up online. Normally, I would be greeting you in person at our live auction event. We'd be part of a festive crowd, probably bumping into one another in passing several times during the fun-filled evening. Instead, we're having a virtual gathering. Despite these circumstances and the reason for the change, absolutely nothing has changed with my thoughts about this year's auction theme.

What a great theme for our Stampede Auction – Envision Our Future 20/20.

We're all familiar with the chart we see when we get an eye exam. The letters and numbers go from big to small, and you read until you can't see the letters clearly enough to decipher them any longer. Then the ophthalmologist adjusts something, and you find you can continue to read some more. You may be told you have 20/20 vision. Having 20/20 vision does not necessarily mean you have perfect vision. 20/20 vision only indicates the sharpness or clarity of vision at a distance.

At Shelton, we believe we have sharpness and clarity of vision at this juncture in our history. It doesn't mean we have reached perfection, but we know that our mission to serve children is clear, sharp and focused.

Since 1976, people just like you have helped us envision and achieve our mission. Today, we celebrate parents who wanted something different for their children. They begged June Shelton to help, she responded, and, together, they envisioned something unique for their children. She was the cornerstone of our mission. From there, countless others have filled the Shelton community- board, faculty and staff, parents, families, friends, students, donors, foundations, alumni and volunteers.

Fortunately, for 44 years, individuals in the Shelton community have set their sights on different aspects of our mission. As diverse and unique as our students' learning styles, so have been the gifts and talents of those who have supported Shelton. Some have lasered in on academics, others on fine arts, athletics or teacher training. Others – architects, engineers and builders – have helped us transform spaces that were right for the moment. Yet others have been movers of people those who share leadership and inspiration.

June Shelton: "I was packing books and personal belongings in my car to move home to Denton on March 31, 1976, when I was first approached about what would become the June Shelton School. Parents told me that they and a group of learning different children wanted me to stay in Dallas. Would I be willing to pursue the idea of creating a new school in Dallas for children who needed special learning techniques?"

I am grateful to all who have helped make every aspect of this event possible, from launch to an unforeseen virtual execution of what was planned for our live auction. Our Shelton Parents' Association has done wonders all year under the leadership of Shelly Lloyd and Brandy Stafford. Special thanks go to auction cochairs Julie Crozier, Emily Sarché and JoAnna Sudbeck. They, along with their committees, worked on our event for an entire year and then pivoted in just a matter of weeks to convert our Stampede from live to virtual. COVID-19 may have changed how we have gathered, but it has not changed our vision. Thanks to your many personal sacrifices these past seven weeks, Shelton spirit has remained strong, and words will never express how proud I am to have seen it on so many fronts.

We especially think about our 71 seniors when we think about 2020. They give us reason to celebrate this particular year. They are our stars who finish out a piece of Shelton's history – the chapter at our beloved Ward Campus. We envision every success for them and will follow them with great expectations. We can't wait to welcome them as alumni at our new campus.

I am grateful to those who continue to envision something bold for Shelton's future. Building on a strong foundation, and with the time, talent and energy of so many, our dream of a new, unified campus becomes reality next fall. With 20/20 vision and an unwavering mission, we will better help our students realize their boundless potential as they shape their own visions for the future. Thank you for being willing to pursue new ideas for Shelton's future. More than ever, thank you for being part of our community.

Suganne Stell

Suzanne Stell Executive Director

### **WELCOME TO THE STAMPEDE**

Welcome to The Shelton Stampede Virtual Auction. This year we recognize Shelton as a Visionary for those who learn differently. The auction would not have been possible without the help of our Sponsors, Donors, Committee Members, Volunteers, Administration and the Shelton Parents' Association. We are grateful for all of the support each of you has shown.
