EXPLANATION:
The Department of Education requires approval of updates made to the Virtual Learning Plan. The MSD Virtual Learning Plan implementation began in March 2020 and is currently in place at all grade levels for daily instruction in all content areas. The current updates note the extended closure of schools by Governor Murphy for the remainder of the school year and distribution of paper based materials (PreK-2 and identified Bilingual students) and distribution of learning tools to students receiving free/reduced lunch. The MSD Virtual Learning Hub continues to house information and updates related to the VEEP for students, teachers and parents.
PUPIL SERVICES

OUT OF DISTRICT ROSTER

Motion #1 that, upon the recommendation of the Superintendent, the Board of Education approve placements and instructional services for students with disabilities, including those received by the district and those attending schools for which tuition is charged, for the month of May as noted in the detailed listing maintained on file in the Board Secretary’s office.

EXPLANATION

Students with IEPs whose needs cannot be met in the programs that exist within the district are placed in outside private and public schools approved by the New Jersey Department of Education for students with disabilities. Attendance is monitored monthly in order to ensure students are enrolled as agreed and the state-mandated contract with each school states that two weeks' notice is required for removal of a student. Case managers make at least two visits per school year for each student enrolled in one of these schools, including one visit that involves the convening of an IEP Team to complete an annual review of the student's IEP. In order to preserve confidentiality, all students are identified only by their local and/or state identification numbers in any listing that is maintained outside the Office of Pupil Services.

AGREEMENTS
Food Service Agreement - Whitson’s 2020-2021

Motion #6 that upon the recommendation of the Superintendent, the Board of Education approve the following resolution:

WHEREAS, the Board has concluded that the proposal submitted by Whitsons School Nutrition Group is the most advantageous to the School District, price and other factors considered;

NOW, THEREFORE, BE IT RESOLVED that the Morris Board of Education approve and award a contract for School Food Service Management for the 2020-2021 school year to Whitson’s School Nutrition Corp. located at 1800 Motor Parkway Islandia, NY 11749. It is the recommendation of the Business Administrator that the Morris Board of Education award the contract to Whitson’s School Nutrition Corp. (hereinafter referred to as the "FSMC"), subject to the following contractual provisions:

The FSMC shall receive, in addition to the costs of operation, a fee of $0.1842 per reimbursable meal and meal equivalent to compensate the Food Service Management Company for administrative and management costs. This fee shall be billed monthly as a cost of operation. The District guarantees the payment of such costs and fee to the Food Service Management Company.

The number of National School Lunch Program, and if applicable, Breakfast Program, At-Risk Afterschool Meals Program and After School Snacks Programs, meals served to children shall be determined by actual count. A “Meal Equivalent” provided by The FSMC is determined by dividing the total of cash receipts, other than from sales of National School Lunch Program, and if applicable, Breakfast Program, At-Risk Afterschool Meals Program and After School Snacks Programs, meals, or Cash Equivalents, by the Equivalency Factor. The Equivalency Factor used to determine the number of Meal Equivalents served by Aramark shall be the amount of $3.66.

The per meal management fee of $0.1842 will be multiplied by total meals.

The FSMC guarantees that the return to the District from the Food Service Program for the 2020-2021 school year will be One Hundred Eighty-Two Thousand Dollars ($182,000). If the annual operating statement shows a return less than the aforementioned amount, the FSMC will pay the difference between the actual and the guaranteed amount. The Guaranteed Return is based on the following conditions and assumptions remaining in effect for the school year.

- Reimbursement rates for Food Service Program meals shall not be less than those stated in the request for proposal.
- The value of USDA donated foods received shall not be less than the value of USDA donated foods received during the prior year.
- The mix and quantity of USDA donated foods shall not change from the mix and quantity received the prior school year so as to increase actual food costs over the level of projected food cost.
