**\*\*HAVE A GREAT SUMMER!!\*\***

Dear Parents and Students,

**We did it!** What a year! You showed how dedicated you are to learning, by hanging in there to the very end, even at home. Congratulations to everyone for doing your personal best each day. We each had a chance to prove to ourselves that **WE CAN DO HARD THINGS**.

For our last Social Studies unit we will have a quick overview of our federal, state and local governments and what they do for us.

I will pick up **all completed work** next Monday, May 18th after 9:00. Hopefully, you've signed up for a time next week on Tuesday-Thursday to return any school materials. At that time I will be at school to say a quick farewell and return important work and anything that was left in your desk.

Thank you for a great year. You are some of the very best!! Heartfelt wishes for a safe and wonderful summer,

Love, Mrs. Klinker

**Math:** STMath --See how far you can go. 100% is the goal!

**Language Arts:** Please finish reading the book Jimmy Spoon and complete your answers on the question sheets. I hope you will all join our last Community Circle Zoom at 10:00 on Tuesday. We will discuss Jimmy Spoon and talk about this question, "What is something I can do over the summer to keep learning?"

**Social Studies:** Government

**Monday:** Read pages 1-3 in your white United States Government packet. To start your lap book, glue on the 2 white "cover pieces" and write your name. Write examples in the white "T-box" and in the blue "petal booklet" and glue.

**Tuesday:** Read page 4, and complete the yellow "flap booklet"

**Wednesday:** Read page 5, complete the green "flip booklet" and the purple "horizontal flap booklet". You can go to the following source to find the names of the people currently serving. **Utah.gov Click on Government at the top** You can also Google something like, "Who are the county commissioners in Davis County, Utah?"

*\*\*P.S. We have elections coming up this fall to elect new people serving in some of these positions.*

**Thursday:** Read pages 6-9 to read about the 3 Branches of Government, complete the pink "foldable". Note: It is folded weird, just do the best you can.

**Friday:** Read pages 10-11, on page 12 write at least 3 fun facts you learned, complete the national symbols and state symbols pieces.

**\*\*You should be ready to return this completed lap book on Monday the 18th.\*\***
