

## Indoor Ice Skating

Find some paper plates. The inexpensive ones that are smooth on the back side are the best, but any will work. Put a plate under each of your feet! Now you can glide across the floor to the beat of your favorite song.

Some songs you may want to try are: "Skaters Waltz" by Emile Waldteufel, "Sand Paper Ballet" by Leroy Anderson, or "Sobre las Olas" by Juventino Rosas.

Have fun gliding, spinning and jumping across the floor! Be careful not to let your skates slip off your feet!

Miss you all, Mrs. Toone
