To the Princeton Day School Community,

Following the announcement made yesterday afternoon by Governor Phil Murphy, I write this morning to confirm that **Princeton Day School will remain closed for the balance of the school year**. Panthers Online will continue through the first week of June, with milestone end-of-year events, including Lower and Middle School closings and Commencement, celebrated virtually.

Disappointing as it is that we will not have an opportunity to come together one last time before summer begins, Princeton Day School supports the Governor's efforts to place the health of our children before all other considerations.

**I'd like to use this opportunity to invite you to a webinar on Thursday, May 7, at 7:00pm**, during which I will provide updates from around campus and share my thoughts on our School's plans for the summer and its preparations for the start of the next school year. Webinar access follows, with a reminder on Thursday.

Sincerely,
