

Mrs. Larsen's Lesson Plans

If you haven't been to the school yet, please go this morning and pick up the 3 packets. They are in a box on the bookshelf between the 2 sets of doors to the school. You will be using these papers every day this week.

Monday, May 11th

Reading:

- Today I want you to work on the packet on purple paper. I will give these to my new 3rd grade class next year.
- Take your time and do your BEST work. Make sure you write complete sentences that start with a capital and end with punctuation. Also make sure your writing is NEAT. It doesn't do any good if the new 3rd graders can't read it.
- Color the pictures so the paper looks nice.
- Turn in this packet completed when you come and meet with me next week.
- 10:00 "Wonder" reading on Zoom.

Math:

- Watch district video
- <https://web.microsoftstream.com/video/ab7a4fe6-aec9-403f-9bed-b3e4a9a1276a>
- Complete page 8.8 and 8.9 in math book.
- Take a picture and send it to me.
- Work on multiplication/division tests.

Science:

- Finish your grape smasher and practice presenting it. You should be able to do it by yourself. If you need a parents help let me know and we will let you go first so they don't have to wait. If at all possible you should be able to do it yourself. Make sure and place your computer so the camera can see you demonstrating your grape smasher.

-

Tuesday, May 12th

Reading:

First 3 pages of Memory book and cover. This will be a book that you will save for a long time. Do your best writing and coloring. As always, take your time and do your best.

Math:

- Watch district video
- <https://web.microsoftstream.com/video/ab7a4fe6-aec9-403f-9bed-b3e4a9a1276a>
- Complete page 8.10 in math book.
- Take a picture and send it to me.
- Work on multiplication/division tests.

Science:

- 10:00 am Zoom

- Share grape smashers. When presenting point out each of your simple machines and explain what they do to help it work.

Wednesday, May 13th

Reading:

Complete the next 3 pages of your memory book.

Math:

- District video 8.11
- <http://www.mydavisconnect.org/Curriculum/Math/03/03%20Domain%204/03%208.11%20Additive%20Area%20Models/index.html>
- Complete worksheet 8.11 and send me a copy.
- Work on multiplication/division tests.

Science:

<http://www.mydavisconnect.org/Curriculum/Math/03/03%20Domain%204/03%208.12%20Partitioning%20Rectangular%20Areas/index.html>

This is the you tube channel, Amazing Experiments that You can do at Home (top 10)

After watching this video choose one of the experiments to try tomorrow. Do NOT try the one with a match unless you have a parent helping you.

Thursday, May 14th

Reading:

- Complete the next three pages of your memory book.

Math:

- District video
- <http://www.mydavisconnect.org/Curriculum/Math/03/03%20Do%20main%204/03%208.12%20Partitioning%20Rectangular%20Areas/index.html>
- Worksheet 8.12.
- Take a picture of completed work and send to me.
- Work on multiplication/division tests.

Science:

Do one of the experiments from yesterday's video. Write a paragraph about what happened. Write about some things that you could do to improve how it turned out.

- **Friday, May 15th**

Reading

Finish your Memory book and letter to next year's 3rd graders if needed.

- Send me a good bye letter. Please include some of the things you liked the most and some of the things you didn't like about our classroom. It should be at least a page written or 3/4th's of a page typed.

Math:

- ST math
- You will continue to be logged into my class until July 1st . I would make it a goal to finish your 3rd grade, 100% by the 1st of July.

10:00 – Talent Show
