

Prep Time Enrichment

May 11th-15th You Are Living History

***Computer Lab: Mrs. Hansen's Web Page:** [COMPUTER LAB](#) Wonderful Students! Do you realize that through this crazy time and pandemic, you are a part of history? As we wrap up the school year I want you to ponder some things. What do you miss about school? What have you spent your days doing during our Quarantine. I truly have missed you all! I love you dearly and wish you a very happy and healthy summer! Watch my board for some fun additions over the summer, maybe even a video of me reading one of our techy books! (hint hint)

All Grades: Using Minecraft, Scratch, or Scratch Jr. create a story about what you miss about school (I hope you miss computer lab) or what you have been doing while staying home. I would LOVE to see what you come up with so please email me  emhansen@dsdmail.net

***Art Studio: Mrs. Stringham's Web Page:** [ART STUDIO](#)

Art for All Grades: Hello my most amazing artists! Hope you are all happy and healthy! I miss you all so much. There is a family art project... A 2020 TIME CAPSULE! Have fun exploring the time you are living in now. Save it so you can look at at this unique historical time!

***P.E.: Mrs. Morrell's Web Page:** [P.E. PAGE](#)

Hi Friends! I hope you are well and happy! 😊 I have one last PE challenge for you this month!

All Grades: Print or copy from the [PE Time Capsule Pages](#) to fill out and place in your time capsule or journal. Do 3 or 4 of the Physical Fitness Challenges each day this week – you don't have to do them all at once! You will need a few things to complete the list of challenges: Stopwatch, jump rope, hula hoop, tape measure, pen/pencil, and a grown-up or older sibling to help you count, measure and time. **Don't worry** if you don't have all the equipment. There are plenty of challenges that only require your body, so do all the ones you can! Color when you have finished filling them out! Have fun! P.S. the pictures at the bottom of page (1) are some hints to help you remember some of our games: castle = Candy Rush, ship = Ship to Shore, stars/hoop = Space Invaders, snake = Snakebite! If you can't remember the name of a particular game, you can email me and ask, kkmorrell@dsdmail.net or just make one up!

4th, 5th, 6th Grades: Check my board one more time after May 20th for the [Decathlon Results](#) from our in class event last fall! You will find all the best scores for the 8 or 9 events your class was able to do. I know all of you missed out on the 200 Meter Dash, and many of you missed out on Push-Ups or other events 😞, but I am still proud of your efforts and blown away by some of the Total scores! 🤯 **Way to go Colts!**
