

Time Capsule 2020

You are living history!

What is a time capsule?

A time capsule is a sturdy container that is filled with present day things, such as artwork, newspapers, photos, letters etc., that is then hidden away in a closet or buried in your garden, for a time, and then opened by your future self. A present for the future!

What goes in a time capsule?

- *The date! Very important!
- *ART PROJECT: Paint or trace, *and name*, everyone's HAND PRINT on paper, overlap.
- *A drawing of your family or photo
- *Write a letter to your future self
- *List of your favorite things: food, color, sport, song, video game, book, movie, your best friends, etc.
- *Write about your experience during COVID-19.
- *Hide time capsule in a closet, the garage, or bury it in the garden.
- *In a few years, find and open your time capsule!

Do not put money or treasured items in your capsule, they might get lost. Do not put food in your capsule, it might get mice.
