

**YEAR 6 WEEKLY HOME LEARNING – W/C 11.05.20**

Have a go at as many of the tasks as you can. You can choose which ones you do each day.

**A book I recommend...** *Tell Me No Lies* by Malorie Blackman.

Focus spelling words for this week:

- interrupt
- language
- leisure
- lightning
- marvellous
- mischievous
- muscle
- necessary
- neighbour
- nuisance

**Keep Active**

**The Specsavers 'Virtual' Sussex School Games.**

Don't forget to sign up and represent our academy in the School Games. A new sport every single week with challenges suitable for all.

**Maths**

White Rose have produced some great home learning so you can keep up to speed with your maths learning. Take a look at <https://whiterosemaths.com/homelearning/year-6/>

We are thrilled that we are able to keep in touch with many of you on Twitter and Facebook. Please continue to share with us! @MrLawrenceRSW and @MrsStubbs\_RSW

<p>Follow this <a href="#">link</a> Watch the videos of extracts from <i>Tell Me No Lies</i> by Malorie Blackman. Complete activities 1-3 to show your understanding of the text. Ensure your next paragraph includes varied sentence structures and punctuation and think about your vocabulary choices.</p>	<p>Music is an amazing way to escape everyday life and can inspire people in a variety of ways. <a href="#">BBC Ten Pieces</a> provide you with weekly musical activities involving listening to, interpreting and creating music. Complete this week's challenge and look back to previous ones if you want more.</p>	<p>Research shelters. What does a good shelter need? What might they look like? What natural materials can be used? Plan, design, create and evaluate a shelter in a safe outdoor space e.g. garden, park or woods.</p>
<p>We are currently in the Muslim celebratory month of Ramadan (23<sup>rd</sup> April – 23<sup>rd</sup> May). Research what happens during Ramadan and write a diary entry from the perspective of a Muslim child your age.</p>	<p>Look at this <a href="#">Nrich chocolate fractions challenge</a>. What would be the best way for the class of children to split themselves amongst the three tables. Prove your answer using diagrams and/or calculations</p>	<p>12<sup>th</sup> May is National Limerick Day. Research limericks and practice reading your favourite limerick out loud to perform to everyone you live with at home. Can you write your own limerick?</p>
<p><a href="#">Oak National Academy</a> has been set up by 40 teachers from across the country to provide lessons and assemblies for children at home. Visit the site and complete some lessons on areas you want to make progress.</p>	<p>As we come to the end of the academic year, we know a number of you may be becoming anxious about secondary school. Follow this <a href="#">link</a> to watch clips and listen to advice. Write down any helpful tips that you find.</p>	<p>Practice <a href="#">adding mixed number fractions</a> and <a href="#">subtracting mixed number fractions</a> on the linked games. Remember to ensure you make the denominators equal before you add or subtract.</p>
<p>  +  +  = 21   x  +  = 88   x  +  = 63   +  x  = ?                      What is the value of each emoji? Remember the order of operations (BODMAS). Can you create a similar problem of your own?                 </p>	<p>Sign up and take part in <a href="#">The Specsavers 'Virtual' Sussex School Games</a>. Adapt the sport however you need to in order to suit what you have at home. Practice throughout the week and submit your best to go towards our school total and a chance to win a prize.</p>	<p><a href="#">Advertise Your Town</a> When lockdown is over, I am sure there are plenty of things you want to do and places you want to visit. Using any genre of writing you want, persuade someone to visit your town by telling them about the places and activities that would be available to them.</p>
