**Daily Morning Advisory Classes: ALL Students**

Students received an e-mail invitation from their Advisory Teachers on Tuesday, April 14<sup>th</sup> with a Virtual Code Link to begin daily Advisory attendance every morning between 8:00am-8:30am for a specified ten-minute time slot. **Every day, ALL students will enter their Advisory class** to be reminded to submit their daily attendance (which is e-mailed directly to their Boys' Latin e-mail account), recite the Boys' Latin pledge together, receive reminders for the day and a positive word of encouragement from their teachers. Although the physical building is closed, our BL vision and mission remain, and the education and structure for our Warriors continue.

**Students' Daily Attendance:**

Has been lots of fun! Miss Galanti will share the pictures with faculty, staff, and students. It was great to see everyone have fun while distance learning and show their school spirit! Thank you to everyone who participated and Miss Galanti for organizing this much needed school-wide initiative!

**COVID-19 Precautionary School Closure:**

Boys' Latin will remain closed indefinitely as directed by Governor Wolf. In place of in-school instruction, we continue teaching and learning through a distance learning program for all BL students. *Please refer to our website for our most up-to-date information and important details:* [www.boyslatin.org](http://www.boyslatin.org)
