

Recommended Reading for Summer Knights Third Grade

Attached you will find a list of recommended books for your summer reading. In an effort to introduce you to current titles, the majority of this list contains books that were recently published. You will find some standards and classics because oftentimes they are just too good to ignore! You can find a more detailed description of the books by accessing the catalog on the [Lower School Library](#) webpage. Click "Search Destiny." Once inside the catalog, click "Collections," and there you will find the reading lists grouped by grade.

Keep in mind that this list is merely a suggestion. You are free to read whatever it is that you like, but be sure to keep a record of your reading to turn in when school starts in the fall. If you want more personalized recommendations, feel free to contact Catherine Lampley at catherine.lampley@paceacademy.org.

At least **5** books should be read or read to each student. A record of books read should be given to your homeroom teacher during the first week of school.

Miss Lampley would love to hear from you over the summer. Please send her a letter telling her about what you've been reading and why you did or didn't like the books. Including a picture of you reading while on summer break is encouraged. Letters can be mailed to:
