Check-In/Check-Out
When students arrive at school after 8:05 a.m., parents need to stop by the office to sign in late students. Please do NOT drop off late students at the door. If you know in advance that you will be checking your child out of school before 2:20 p.m., please send a note to your child’s teacher in the morning. When you arrive at school to pick up your child, please report directly to the office to sign your child out. Your child will be paged to the office. Each spring the Physical Education teacher coordinates a group of outdoor activities for the children in all grade levels. A variety of exercises, games, races, relays, and activities are planned. Parents are invited to observe or assist. It is our way of welcoming the end of the school year with a day of good, healthy fun.

Field Trips
We are fortunate to live in a vibrant area offering many opportunities to enrich our children’s education outside the school walls. Each class takes occasional field trips to cultural events, nature areas, community organizations, historical sites, etc. Advance information about these trips is sent home at the classroom level. **Permission slips for field trips will be sent home as necessary.**

Forbidden Items
Knives, guns (including toy guns), cigarette lighters, projectiles, explosives of any type, or any other item deemed hazardous to people, property, or buses are prohibited. Possession of any of these objects will result in immediate suspension.

Fire Drills
A fire drill is conducted the first week of school and once a month thereafter. All students, staff, volunteers, and parents must evacuate the building

Ill Children
If students become ill at school, parents will be notified. Please come as quickly as possible to pick up your child. Please do not send your child to school with a fever or other symptoms of illness.

Immunizations
Virginia requires that students enrolling in school provide proof of completion of immunization,
or evidence of being “in process” of receiving required immunizations at the time of enrollment.

**Immunizations required:**

- **DTP** - Three (3) doses of DTP with one of the three administered after the fourth birthday.

- **OPV** - Three (3) doses of trivalent OPV with one of the three administered after the fourth birthday

- **Measles** - Two (2) doses of live virus measles (rubella) vaccine, one dose given at 12 months of age or older, and the second dose administered prior to entering kindergarten or first grade, whichever occurs first, effective July 1, 1991.

- **Rubella** - One (1) dose of rubella vaccine received at 12 months of age or older.

- **Mumps** - One (1) dose of mumps vaccine received at 12 months of age or older for students entering school on or after August 1, 1981.

- **Hepatitis B** – Minimum of three (3) doses at the required intervals

**Insurance**

Accident insurance is offered through a school group policy for at-school and 24-hour coverage. Information is included in the take-home packet. Neither Agnor-Hurt nor the Board of Education provides insurance coverage for accidents at school except for the policy offered at the beginning of the school year.

**Integrated Learning**

This is a process that requires students to use the skills of several subjects at once. Instead of having separate math and science classes, teachers may conduct a class where students use math skills to do science experiments. Students may also have activities that focus only on one subject area, such as reading or writing.

**Interruptions**

Teachers appreciate having as few interruptions as possible. Therefore, any messages, food items, or parcels brought into school for a teacher or student should be labeled with the classroom teacher’s name and delivered to the office. They will be collected at the teacher’s convenience.

Library/Media Center
All students visit the library regularly for a library lesson, story time, and book check-out.  
Books must be returned to the library the following week.  Please make every effort to help your child remember his/her library day and keep track of materials checked out.  Parents will be charged the replacement cost of any lost or damaged book.  Encourage your child to bring home a new book at each library visit and read the book with or to your child.  It is important that parents show an interest in their children’s reading by participating in reading activities with them.  Children enjoy being read to and discussing favorite books and characters with their parents.  Encouraging a love of books is one way that parents can help their children to become enthusiastic and successful readers.

Lost and Found
A “Lost and Found” box is kept at Agnor-Hurt outside the cafeteria.  Parents are welcome (and encouraged) to look through the box for lost items at any time.  Valuables such as watches, rings,
and money are turned in directly to the office. Parents are reminded to write the child’s name on all jackets, coats, sweaters, backpacks, lunch boxes, and school supplies.

Lunch
Lunchtime is a period of approximately 30 minutes for students to relax, eat, and socialize. You are welcome to visit the lunchroom and eat with your child. You will find that when the noise level rises too much, as sometimes happens when 100 or more students all talk at once, an adult will remind the children to speak quietly.

Lunch accounts may be set up at any time by sending in money or a check with a note indicating the number of lunches being purchased in advance. Monthly lunch menus are sent home at the beginning of each month. Please post the menu in your home to consult when deciding which days your child will buy lunch. Information about school lunches is provided in the take-home packet at the beginning of the school year.

Mathematics
Your child receives mathematics instruction every day at Agnor-Hurt, but you can help to strengthen and enrich math skills at home with very little trouble. Measuring cooking ingredients, counting items by 2's, 5's, etc. telling time, adding numbers on dice, and counting money are all simple but effective ways to help your child be comfortable with numbers and arithmetic operations.

Medication
According to Albemarle County Policies and Regulations (JHCD-E) regarding administering medicine to students at school, parents need to be aware of the following:

- Whenever possible, medication should be scheduled outside of school hours. Speak to your doctor about the possibility of your child taking medicines when you can administer them at home.

- If prescription medicine is to be dispensed at school, it must be sent in the original pharmacy container with the child’s name, the doctor’s name, the name of the drug, and the doctor’s instructions. Non-prescription medication must also be clearly labeled and a note signed by the parent or guardian.

- All medications must be brought to the office immediately upon arrival at school, to be held,
and dispensed by the principal or designee. A Request for Taking Medicine at School form must be signed by parent/physician before anyone at Agnor-Hurt can dispense medication. This form is included in the take-home packet provided at the beginning of the school year.

- Not more than one month’s supply of a prescribed medication shall be stored at the school. All medications are kept in the office and administered by office staff after the medication form discussed above is on file. Medication -- prescription or non-prescription -- may not be dispensed until forms are in place. We reserve the right to refuse the parent’s request to dispense medicine.

- Parents should notify Agnor-Hurt in writing of any unusual allergies or illnesses that may require special attention or medication. Minor accidents that require general first-aid will be taken care of in the school office/clinic. Parents will be called immediately in the event of more serious injuries.

Messages
Emergency messages may be left for students and teachers in the office by calling 973-5211. Please be sure to call prior to 1:45p.m. in order to allow time to deliver your message. Whenever possible, a note should be sent with your child in the morning to notify the teacher and the office if the student will leave early or visit another child after school (whether traveling by bus or car).

Money
Please do not send large amounts of money to school with your child. Be sure to label money for lunch, supplies, field trips, and other items with your child’s name and what the money is for. Please do not send large bills to have change made in the office and distributed among students in the same family.

Music
A music teacher is employed part-time to provide Agnor-Hurt students with music instruction on a weekly basis. In addition, the music teacher organizes and helps organize musical opportunities for children throughout the year.

portraits. Spring pictures are class photos.

Playgrounds
Agnor-Hurt offers two playgrounds; one for children in kindergarten through second grade and one for third, fourth, and fifth graders. Both are surrounded by generous expanses of grass for free play. Children have access to a blacktop with basketball hoops. All children are instructed in safe use of playground and athletic equipment at the beginning of the school year.

Reading
We want all Agnor-Hurt students to be avid and accomplished readers. To meet this goal, we need your support at home. Instill a love of books in your child early by visiting the public library often and by reading to and with your child regularly. Occasionally the classroom teachers and the media center specialist send home lists of suggested books for various reading
levels. These are excellent guides to help you choose appropriate reading material for your child.

**Records**
It has been the practice for the administration of the Albemarle County Public Schools to permit parents to review, with the school principal or his designee, records maintained on their students. Virginia Department of Education Regulations officially mandate that parents and eligible students be informed in writing of the School Board’s policy with respect to the management of student records.

Information cannot be denied to a non-custodial parent unless there is court documentation not allowing such access. As such, non-custodial parents have the same rights to records unless that right is removed by a court order.

Student scholastic records are written and maintained for the purpose of assisting the student in his personal, social, educational, and vocational development consistent with high professional standards. These records are kept under supervision of the principal or his designee. The records are used to assist the school’s staff in working with the student. The principal or his designee is responsible for reviewing the records to make sure information no longer needed is removed.

No person, other than the parent or eligible student and officials legally designated, has the right to information in the record unless the parent or eligible student gives written permission, or if the information is subpoenaed by a court or requested by officers of the court. Upon challenge of record content by the parent or eligible student, the established procedures for students and parents shall be followed. The cost of reproducing any portion of the record will be borne by the eligible person who desires such reproduction.

**Registration**
To register for school, a child must be five years old by September 30. All students registering for the first time must provide an original, State certified birth certificate, record of physical exam, immunization records, social security card, and two proofs of residence.

**Resource**
Agnor-Hurt offers a comprehensive resource department which provides services to children with special needs. Some of the programs available are speech and language therapy, individualized educational programs for children with learning disabilities or other special needs, support for physically challenged students, occupational therapy, and a resource program for identified gifted students. If you feel your child might qualify for the services of the resource department, contact the classroom teacher to discuss a referral.

Snack
Primary grade children are given a short snack break during the school day. The student is responsible for providing his or her own snack. **It is recommended that snacks brought from home be of good nutritional value (fruit, vegetables, fruit drinks, cheese, crackers, yogurt, granola bars, etc.).** Please be sure to pack spoons, straws, and other necessary items since snack is generally eaten in the classroom or on the playground. Students will have an opportunity to buy snack, milk, or juice from the cafeteria before snack time begins.

Suspension
Students who continually disrupt class or who are involved in severe misconduct may be suspended from school. Every effort will be made to enlist parent assistance before a student is suspended. **When a student is suspended from school, a conference with the parent must be held prior to readmission.**

Tardiness
*School begins at 7:55a.m* Students who come in after 8:00 are considered tardy and need to be signed in by a parent. The office will then issue a late pass to admit the child to class. Students must be present at school until 11:30 a.m. in order for them to counted present for that day.

Telephone Calls
Teachers may receive telephone calls through the office (973-5211) between 8:00 a.m. and 2:25p.m. in emergencies only, otherwise a message can be left in their mailbox located in the office. Teachers will return calls at their earliest convenience. Students may receive messages during the school day only in emergencies.
Toys
Toys are not allowed at school or on the school bus. Teachers may at times allow students to bring a toy to school as part of an activity. Any toy that is removed from a child will be held in the office until a parent can pick it up.

Transfer
To transfer your child out of Agnor-Hurt School, simply notify the office. If you are leaving the country, at least one week’s notice is required for preparation of records. Students transferring within the United States will have their records requested by the new school; however, the office still needs to be notified of the move and advised of the child’s last day in school.
