

May 8, 2020: District Email

Please find a few updates for this week:

### **Follow-up of Coffee with Dr. K - Q&A**

The "Coffee with Dr. K" event looked a bit different on May 5, with social distancing challenging us to come up with a virtual format for the quarterly check-in. Thank you to those who watched the livestream and submitted questions. For those of you who are interested in reading the questions that were addressed, please find answers in [this document](#).

### **SmartSchoolK12 chosen to replace FeePay**

The White Bear Lake Area School District is moving to SmartSchoolK12 to replace FeePay for online payments. As of June 1st, online payments will be processed through SmartSchoolK12 including meals, field trips, middle school & high School athletics registration, and student activity passes. Find complete information [here](#).

### **Accessing Buildings**

District school buildings continue to have consistent office days and hours of Tuesdays and Thursdays from 1-4 p.m. Buildings will be locked, so families should continue to reach out to building principals to arrange for at-school pick-up of materials during this window of time. Staff will be checking and responding to their emails and voicemails.

Our middle school, high school and Transition Education Center buildings will host locker clean-out and collection/distribution of materials during the week of June 1. Principals will communicate directly with secondary-level families in the coming weeks regarding the schedule and plan for how this process will work.
