

Dual Language Elementary Program Application & Transfer Form

1. Approval is for the duration of the child's elementary years. (As long as they remain in Beaverton School District)
2. Our goal is to include siblings if possible, however there is not a guarantee of sibling applications being approved.
3. Students within a dual language attendance boundary will be placed first. A lottery system then may have to be implemented if there are more applications than spaces available.
4. Copies of the completed application will be distributed by the receiving school principal; pending a letter or telephone conversation with the parent/guardian, regarding the final placement in the program.
5. Transportation will be provided throughout the child's elementary years if the student lives in the dual language school's attendance area. Parents/guardians are responsible for providing transportation, which complies with school hours. Buses do not travel from the resident school to the dual language school. However, occasionally a student may live close to the attendance boundary of the dual language school. In this case, parents may submit a written request on a completed "No Transportation Zone Request" form.

OFFICE USE ONLY::

Date Application Received/Received by:	
Date attended tour:	
Date admitted to DL Program:	
Signature of Home School Principal & Date	
Signature of Receiving School Principal & Date

 No

Please add your child's preschool information below (if applicable)

Did your child attend preschool?

- Yes Name of Preschool: _____
 No.

Was there instruction in Spanish?

- Yes
 No

Parent Commitment: I understand a Dual Language Program requires 6 or more years of participation in order to reach the full potential of a multilingual, multicultural and academically rigorous program. If my child is accepted into the program, I will attend the required orientation meetings, support first language development at home, and make an effort to remain in the program through 12th grade.

 Family/Guardian Signature

Application Process

- 1) Applications for Dual Language available starting January 31, 2020
- 2) Dates for tours and school visits will be advertised with a separate flyer and on schools' websites by mid-February
- 3) Parent Information Night at each dual language elementary school in Spring 2020

PATHWAYS: Students admitted into the program will follow the three BSD Dual Language Pathways.

Barnes Elementary → Meadow Park Middle School → Beaverton High School

Vose Elementary → Whitford Middle School → Southridge High School or Beaverton High School

Aloha-Huber Park Pre-K-5 → Aloha-Huber Park 6-8 Option → Aloha High School

Please print and submit this completed application to the appropriate dual language elementary school.
