

**Charter**  
**Student Mobile Device Committee**  
**February 2020 - May 2020**

### **Purpose**

To recommend mobile devices for students that alignment with curriculum.

### **Responsibilities of the Committee**

To work as an Ad hoc committee that will propose the type(s) of mobile device that best fit student curriculum. Curriculum and instructional needs will be the focus that drives the recommendation. Meeting topics will include discussions about ideal classrooms, mobile device survey results, types of mobile device and best practices.
