

Making the Most of a Video Call

THINK ABOUT YOUR SPACE

- Make sure there aren't extra noises in the room
- Turn the lights on if it's a dark room
- Make sure you don't have other things around that might distract you from learning

WHEN TO TALK

- Follow your teacher's directions for when it's ok to talk
- Take turns talking - don't talk over others

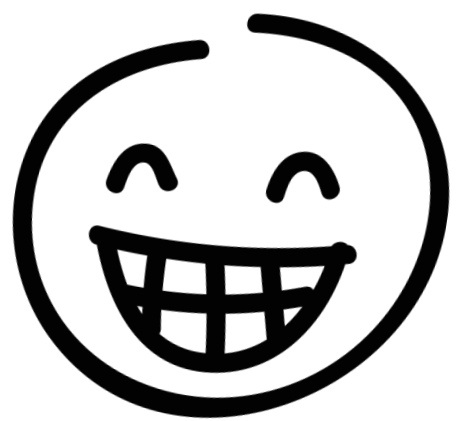

LISTEN TO OTHERS

- Mute your microphone when you're not talking
- Think before you share your ideas
- Show you are listening with your whole body

BRING YOUR PERSONALITY

- Be yourself and respect others
- Smile and have fun

BE READY

- Have all materials ready that you might need
