

Making the Most of a Video Call

THINK ABOUT YOUR SPACE

- Place yourself in a space without distractions
- Limit background noise
- Make sure the space has adequate lighting
- Think about what your teacher & classmates can see & hear

BE HEARD

- "Raise your hand" by noting you want to speak in the chat, wait to be called on by teacher
- Use the chat feature to give compliments to classmates or respond with your opinion
- Take turns talking - don't talk over others

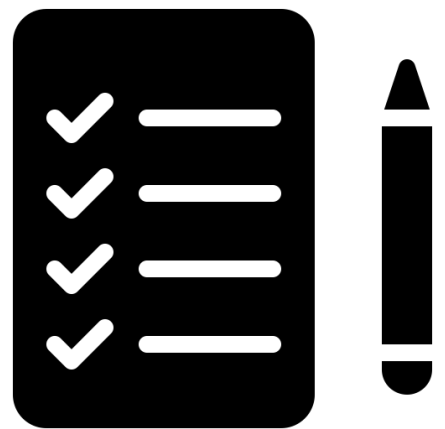

LISTEN TO OTHERS

- Make sure you're muted when it's not your turn to talk
- Prepare how you want to respond
- Think before you write or speak
- Avoid behaviors that distract from learning

BE PREPARED

- Arrive on time
- Have all materials on hand that you might need
- Complete all assignments required to give your best effort in the call

BRING YOUR PERSONALITY

- Be yourself and respect others
- Use positive reactions in the chat to engage with your classmates & teacher

PRIVACY & SECURITY

- Students do not have permission to control settings or invite others to video calls
- School rules & policies still apply during continuous learning
