- 1.2 After School Care (ASC) runs from Monday through Friday (available on all schools day except for Early Release Days and Half Days) from the beginning of the school year until the end, without interruption. ASC can be combined with ASA and Athletics activities.

### 2. Terms of the contract addendum

- 2.1 This contract is a contract addendum to the main School Contract between the Parents and MIS. This contract addendum can be concluded only as an addendum to an existing School Contract. The regulations of the MIS School Contract apply without exception to this contract.
- 2.2 This contract addendum will be valid only if a minimum number of 18 students register for ASC (either with or without additional After School Activities).
- 2.3 This contract addendum between MIS and the Parents officially commences on 1 August of a given year and ends on 31 July of the following year without notice of termination being required. Exceptions to the regular ASC services are governed by the official MIS School calendar.
- 2.4 Every year MIS shall send the Parents a form for the extension of this ASC contract addendum for a further fixed term of one year or for the withdrawal of the child from the ASC programme.

### 3. Fees for After School Care

3.1 Upon signing this contract addendum, the following fees per year will become due:

- Company: \_\_\_\_\_
- Third Party: \_\_\_\_\_

3.3 If MIS invoices are to be paid in part or in total by a third party other than Parents/Guardians, a written and duly signed confirmation to this effect is needed from the third party. Despite this statement of confirmation, the Parents/Guardians remain liable for payment of all Fees.

### 4. Pedagogical Concept for After School Care

4.1 The purpose of ASC at MIS is to provide supervision and age-appropriate activities for students in Grades 1 through 4 from the conclusion of normal School instruction at 15:15 until 16:10. Typical activities include:

- Supervised homework completion
- Games and other forms of social play
- Movement and exercise both indoor and outdoor
- Time for a small snack (the School will offer a very small snack; in case of food allergies, Parents must prepare and send an appropriate alternative).

The nature of the activities will vary from day to day based on the needs of the students, changing weather conditions and other factors.

4.2 With regard to homework, ASC supervisors are not responsible for ensuring completion or accuracy of students' homework.

### 5. Early Termination

5.1 This contract addendum is valid for one school year and cannot normally be cancelled by Parents. In the case of written cancellation of the main School Contract, this addendum will also be cancelled, without the need for a separate written cancellation.

5.2 In case of cancellation of the ASC contract addendum, annual fees cannot be refunded.

### 6. Responsibility for Pick-up

6.1 Parents or guardians are responsible for picking up their children punctually at 16:10 at the Junior School unless other arrangements have been explicitly agreed in written form with the School in advance (for example, through a bus contract). With the arrival of a Parent at School, the supervisory duty of the School toward the child ends.

### 7. Miscellaneous

7.1 Changes or amendments to this addendum shall be legally valid only if made in writing. This shall also apply to the waiver of the requirement of written form.

7.2 Should any of the provisions of this addendum be or become void or ineffective, this shall not affect the validity of the other provisions.

- 7.3 This contract is governed by the laws of the Federal Republic of Germany, excluding the German provisions regarding reference to foreign legal provisions (conflict of laws rules).
- 7.4 Place of performance is the registered seat of the MIS. As far as legally admissible, the place of jurisdiction for all disputes arising out of and in connection with this contract is Starnberg.
- 7.5 No collateral agreements have been made to this contract. Alterations and amendments of this contract must be made in writing. This shall also apply to a change of this written form requirement.
- 7.6 Should any part or provision of this contract be or become ineffective, the effectiveness of other parts or provisions will remain unaffected. Invalid provisions shall be replaced, or gaps filled, by an adequate statutory provision or by a provision mutually agreed by the parties which corresponds to the economic objective of the invalid provision.
