1. Call to order: 5:03 pm
2. SHS Internship Program
Kate McCluskey shared an overview of how the first year of the SHS Internship Program has gone. Students were able to have internships at non-profit locations, as well as businesses. There are more students signed up for the 2020-2021 school year so we are seeing an increase in program interest.
3. McAlister Spanish Program Update
Kris Pryce and Melissa Todd shared that the program will be revised. They hope to incorporate lessons that use technology and connections to other subject areas moving forward.
4. K-5 Distance Learning Update
Administration and Curriculum Coaches shared their ideas and thoughts on how the process is going and the feedback they have received from parents, students and teachers. Board members shared their thoughts relating to our Phase 3 Continuum of Learning Plan. They are hoping to roll out a STAR assessment at the end of the year so that we have a baseline of where students are at the end of the school year. This will help to ensure that student needs are met when we resume learning in the fall.
5. Adjournment: 6:25 pm
