Students that have not met the acceptable dual credit tests (listed above) must take a College Placement Exam (TSI Assessment). Students who are exempt from one part of the placement test will be required to take the TSI Assessment in the other areas prior to enrolling for related college courses. (NOTE: 9<sup>th</sup> & 10<sup>th</sup> grade students are required to take the TSI Assessment and be college ready in writing and reading prior to enrollment approval.)

## Career and Technical Dual Credit: (Workforce Education) (Texas Administrative Code Rule 4.85):

A high school student is eligible to enroll in workforce education dual credit courses contained in a Level 1 certificate program, or a program leading to a credential of less than a Level 1 certificate, at a public junior college or public technical institute and shall not be required to provide any additional demonstration of college readiness. Students enrolling in workforce education dual credit courses contained in a Level 2 certificate or applied associate degree program with be required to meet testing requirements outlined above; relevant to the courses to be attempted.

## **TSI Assessment Information:**

Navarro College administers the TSI Assessment test. Check with each campus testing center to find out testing availability. The TSI Assessment costs \$35.00. If the students wish to retest, the TSI Assessment can be taken again upon availability of space; however, the student must pay each time he or she takes the test. Students should take the placement test at least one week prior to enrollment to ensure that results are available for registration. Students must place into college-level coursework relevant to the courses to be attempted.
