

Fuqua Middle School
Summer Book Club 2020

We are very excited to introduce our newest summer reading program: BOOK CLUBS! Everyone at Fuqua Middle School will **select one** of the books from the list below to read this summer (but you can certainly read more than just one). When we return to school in August, we will have a book club discussion about this book led by a member of our middle school faculty or administration.

Parents/Guardians: We strongly encourage you to be involved in your child's book choice. Books vary in level and content, so please help your child so please help your child make appropriate choices as this list accommodates the diversity of our middle school readers.
