- Anxiety
- Attachment Disorder
- Attention Deficit Hyperactivity Disorder
- Autism Spectrum Disorder
- Bipolar Disorder
- Depression
- Eating disorders
- Learning challenges
- Low self-esteem
- Obsessive Compulsive Disorder
- Oppositional Defiant Disorder
- Poor motivation
- Post Traumatic Stress Disorder
- Relationship challenges
- School refusal

LOGOS APPROACH

Therapeutics

Academics

Parental Support

At LOGOS, we reignite students' enthusiasm for life and learning.

LOGOS APPROACH

Academics

We go beyond the traditional classroom. Our highly qualified staff develop individual academic plans for each student and provide the attention needed for success.

- Accredited by Independent Schools of the Central States. (ISACS)
- Effective organizational/study skills
- Individualized academic planning
- State approved curriculum from DESE & ISBE
- Transitional services

Therapy

We have Master-level licensed therapists trained in various therapeutic interventions, including Dialectal Behavior Therapy (DBT) and Cognitive Behavioral Therapy (CBT) to foster social and emotional growth.

- Minimum 1 hour weekly individual therapy
- Minimum 2 hours of weekly group therapy
- Behavior modification skills
- Conflict mediation
- Coping/problem solving strategies
- Specialty student support groups

Parental Involvement

Parents play a key role in their student's success. We engage parents and offer the support needed for education and emotional growth.

- Weekly contact with student's therapist
- Access to academic/therapeutic resources
- Individual communication with teachers
- Parent Liaison Committee

| • Field trip expenses | • Art fees |
| • Athletic team expenses | • Access to therapeutic sensory room |

LOGOS School is the region's leading independent, therapeutic middle and high school with expert teachers and therapists dedicated to helping students find hope, healing and a promising future.

OUR ADMISSIONS PROCESS

STUDENT SUPPORT CENTER (SSC)

The SSC space has been converted into a sensory room. The sensory room is equipped to help students enhance concentration, attention and alertness. Optical, acoustic and tactile stimuli in the room helps students learn to self-soothe, redirect their focus and deal with real-life encounters in a healthy way.

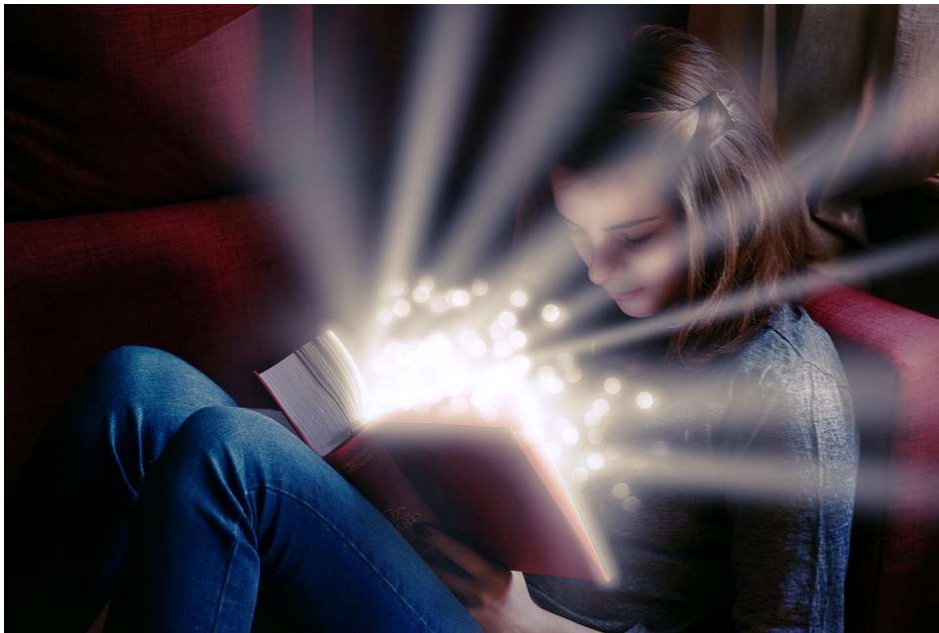

SSC provides brief therapeutic intervention, by allowing students the opportunity to process an incident that is immediate in a safe place where they can readjust and then return to their classroom.

OUTDOOR LEARNING CENTER

LOGOS goes beyond the traditional classroom. Every student has a unique learning style and the Outdoor Learning Center is a great opportunity for student-centered approach and hands-on learning. Students participate in fieldwork, learning expeditions, projects and case studies. Our instructors also offer Gardening and Conservation-Ecology as elective classes.

LOGOS MAGIC

The magic that inspires our unique program comes from a holistic and individualized approach, which combines unconditional support academically, emotionally and socially for each student in a structured yet flexible environment. We strive to foster a vibrant and positive school culture where faculty engage every student to build trusting and meaningful relationships.

At LOGOS, we know every student deserves the chance to fulfill their own hopes and dreams for a successful future.

ATHLETICS

Through our athletics program, students will gain a sense of community, work ethic, confidence, leadership, enjoyment and skill development. The personal traits we strive to develop in our athletes are: teamwork, perseverance, responsibility, physical endurance, commitment, time management, and emotional health.

CHOICE-BASED ART PROGRAM

Students are introduced to a variety of techniques, materials, artists, and subject matter, but have the opportunity to explore what interests them. In a choice-based art classroom, students are the artists. They have ownership, make decisions, problem solve, collaborate and learn to persevere. Students are encouraged to create as a way of self-exploration and expression and are guided by our expert teachers.

STUDENT AMBASSADOR PROGRAM

Student Ambassador responsibilities include:

- Assist Admissions Department with school tours
- Meet with prospective students
- Student shadow experience
- Participate in all trainings

The Student Ambassador program gives current students the opportunity to be leaders in the school and represent LOGOS to prospective parents during Open Houses and Admission Tours, to prospective students while they shadow classes and other visitors throughout the year. Students who share a desire and ability to promote LOGOS are encouraged to apply.

SUMMER INTENSIVE PROGRAM

2020 Summer Intensive Program

June 8 – July 16, 2020

**Tuition for Virtual
5 week program:**

High School

1 class (.5 credits), with therapy included =
\$1,275 (includes free elective Art or PE for .5 credits)

2 classes (1 credit), with therapy included =
\$1,550 (includes free elective Art or PE for .5 credits)

3 classes (1.5 credits), with therapy included =
\$1,750 (includes \$75 savings instead of elective)
