

**School Improvement Team
SIT General Meeting
Thursday, January 30, 2020
5:30-6:30**

**We Learn Together
One and All**

**Huskies Run
As One:**

We Wonder

We Aim

We RISE

We Fall

**We Learn Together
One and All**

Welcome / Introductions

In attendance: Rebecca, Rebecca, Bob, Chris, FP, Jon, Sarah, Jessica, Genna, Nicole

Paws UP! 

District Advisory Council (DAC) Report

- Past meeting minutes can be found [here](#)
- 1/7 Meeting highlights:
 - Family partnerships [presentation](#)
 - Talked about work in the district and home visits → very effective. 180 people trained in the district and working on them this year.
 - Review of DAC budget recommendation [memo](#)
 - 2 recommendations were increased funding for mental health and interventionists.
- Next meeting 2/4

District Parent Council (DPC) Report

- 1/15 [Agenda](#)
 - Presentation on school network support and superintendent visits
 - Goals that schools set for improvement
 - Discussion of sexual violence and [student/family stressors](#)
 - Concerns about sexual assault in the district
 - Family stressors → recommendation this year was for mental health
- 2/19 [Tentative agenda](#)
 - Family partnerships
 - School allocations and budget priorities
- DPC succession planning
 - Anyone interested? Start thinking about it :)

Principal Report

- Full Day Kinder Report

- Thoughtful planning about the full day - based on brain development and what kids need.
- Intentional play based on levels of activity and what is best for 5 year olds
- [Mid-year progress report](#)
 - Revisited Genna's mid-year review and how we are progressing through the year.
- Ideas to incentivize family participation in the upcoming paren survey
 - District sends out parent survey - usually only get 30-35% participation. Any ideas with how we can increase participation and encourage families to complete?
 - Data would be great for SIT and for us to look at.
 - Teachers are going to include communication about this so that parents know what to look like. Maybe an individual email about the importance from the teacher would help increase participation? Mention kids climate data from the beginning of the year.

We Aim

School Data from 2018-19 School Year

- Any questions from the December meeting on CMAS data?
- Climate Data
 - [Click here for grades 2-4](#)
 - [Click here for grade 5](#)
 - Looked at trends and changes from year to year
- What are we doing to address needs?
 - Data analysis, Targeted instruction and interventions, Kid Talks, Student Support Team Meetings
 - Mr. Rosario evening? Focus → can Ralph lead parents through some of the skills he is teaching in small group or what he uses with kids?

Next Meeting Possibilities:

February 27th meeting?

- We need to cancel the March Meeting. Should we create one in February?
- Budget-SRA and PTO
- Questions/agenda items? Talk to Genna or SIT Chair
