Homeroom:

Summer Reading Log 2020

Gilman Lower School

Use this sheet to record your summer reading. If you run out of room, please add another sheet to this one, or print another one from the library website. *If you wish*, add a review of your book so you can keep track of which titles you liked best (examples: smiley face for a book you really liked or a star system for ratings). Hand in your reading log to your homeroom teacher by Friday, September 4th, 2020!
