To Novi Community School District Parents and Community Members:

Thank you for the support and the encouragement that you are providing your children every day. Clearly our online efforts could not succeed without your assistance.

As noted in an earlier email, we have reserved Sunday, August 2, at 3:00 PM for graduation. The ceremony will take place at Eastern Michigan University as it has in the past.

Please note that this is dependent on the Governor allowing large group gatherings. If the governor still does not allow for large groups to meet, we will design an alternative experience for the class of 2020.

We are planning to have summer school and summer CARE as in-person experiences. We also know that this will be dependent on the governor allowing these kinds of gatherings. If we are able to have these activities, we will ensure that we have safety protocols in place.

Beyond these experiences, we are also planning for the fall. We anticipate that we will be cleared to have school in our buildings. However, we are planning for a variety of scenarios. Our goal is to ensure that every student and family has a place and a way to be educated safely this fall. This may mean that we will provide a variety of options for the fall.

We will communicate clearly our plan for the fall in the coming weeks. Our commitment is to ensure that every student and family has a place to learn, be challenged, and grow.

Gratefully and Appreciatively,
Steve M. Matthews, Ed.D.
Superintendent

Students who are passionate, empowered, and prepared for their world and their future.
