The transition to middle school can be both an exciting and uncertain experience for students and parents. Here are some FAQ’s to help you navigate.

Q: How does Timbercrest help 6th graders make the transition?

- WEB – Where Everyone Belongs – is a program specifically designed to help students’ transition into middle school.
The process starts in the spring of 5th grade with classroom visits and campus tours.
- 6th graders are grouped with selected 8th grade peer mentors.
- First day of school is for 6th grade only (and WEB leaders).
- 6th graders will spend their first day at middle school with their WEB group and walk through their individual class schedule and classroom locations. The day will include a variety of fun orientation activities.
- WEB activities continue throughout the school year.

Q: What about backpacks, lunch and school supplies?

- There are no lockers at Timbercrest, except in the PE locker room where students enrolled in PE can store their items during their PE class.
- Students involved in after school athletics, need to make arrangements with their coach or PE teacher to store their gear during the school day.
- Students need a backpack that they can take from class to class.
- Typically, students don’t need to carry textbooks. Many textbooks are available online.
- Students who bring lunch need to carry it with them throughout the day.
- Various lunch options can be purchased in the cafeteria.
- Prepayments for lunch can be set up through PayPams on the NSD website, or by sending a check or cash with your student to be given to the kitchen manager. PayPams will charge a $1.95 per payment processing fee. Downloading the PayPam app. is a great way to monitor and add funds to your student’s account.
- School supplies – Less is more for the first day of school. Typically a binder or set of folders (one for each subject), paper, a couple composition books, and pencils will be enough. There is a general Supply List posted on the Timbercrest website for all grades and all subjects. Teachers will communicate specific material requirements within the first 1-2 weeks of school. Students will receive a student planner/agenda the first week of school.
- Families needing financial assistance can request a backpack with basic school supplies from their student’s counselor.

Q: What is an ASB card, and does my child need it?

- The ASB (Associated Student Body) card is required for all students choosing to participate in any extra-curricular school activity. This includes all clubs, athletics, Honor Society, theater productions, Jazz Band, etc. The money collected is used to pay officials at sporting events, buses for transportation, uniforms, materials for use by clubs, etc. The cost is $25 per school year and can be purchased through the Timbercrest online store at https://schoolsales.nsd.org or through the main office.

Q: What is the Electronics Policy?

- Cell phones and other electronic devices are discouraged from being brought to school and may not be used at school during the school day. This means that the device(s) must be inaudible and put away and not visible (in students’ hands) upon arrival at TMS and stay away until the end of the school day.
- Personal electronic devices may not be used in classrooms (except with teacher permission) or anywhere on campus.
**Q: What do I need to do if my child is absent, late to school, or needs to leave early?**

  - Send an email to tmsattendance@nsd.org
  - Send a note in with student when they return to school.

  - Contacting a fellow student from class
  - Upon returning to class, obtain assignments from teachers.

**Q: How can my child obtain a pass to ride another bus?**

- Students will receive their bus assignment from the Transportation Dept. in August.
- Students wishing to change their assigned bus or stop location, will need to complete and submit a “Request Bus Stop Change Form” which can be found on the NSD website under Transportation.
- No bus passes can be approved until the bus loads are determined and the Transportation Department has given approval (usually late October).
- To ride another bus on a particular day, students must request a pass. Many buses are full and do not accept bus passes. Most buses limit the number of extra riders. Bus pass requests are good for that day only.
- To obtain a bus pass, students must bring a note signed by their parent/guardian to the Main Office no later than 10:30 AM. *We cannot accept bus pass requests by phone or email.* The request must include:
  - First and last name of the student requesting the pass
  - Name of the student they will ride with
  - Stop location of the student they will ride with
- Bus number
- Signature of parent/guardian

- Students should pick up their bus pass from the main office at lunchtime.

**Q: If my child is transported to school by private vehicle, is there a particular location for drop off/pick up?**

- The front parking lot is used for all student arrival/departures.
- Please use the drop off/pick up line.
- Once in the drop off/pick up line, stay in tight formation and please keep moving.
- Do not use the second lane to drop off/pick up, as this creates a safety concern for students crossing through the parking lot.
- If your son/daughter is not ready to be picked up, please park in the parking lot until they are ready to be picked up in the drop off/pick up lane.
- Do not pick up/drop off in the back or side entrance to the school.
- Please DO NOT park in the bus loading zone at any time.
- Please avoid parking on the street as this causes congestion and limits bus access.

**Q. What if I need to deliver and item or a message to my student?**

- Student deliveries are brought to the main office. We will notify your student that they have an item to pick up. Messages are delivered to your student’s teacher to relay to your child.

**Q. What if my student needs to take medication during the school day?**

- State law mandates several requirements for medications to be administered at school. This applies to all medications including prescription/emergency and over-the-counter medications such as inhalers, EpiPens and Ibuprofen. Requirements include:
  - Written authorization from a licensed health care provider including specific instructions.
  - Completed Medication Authorization form on file in the health room
  - If any medication adjustments in dosing or frequency are made, parents must notify the school nurse and a new order (Medication Authorization form) must be completed.
  - Advanced planning with the school nurse is needed for students who need access to medications during field trips, after school sports, clubs and activities where students may not have access to school stored medications in the health room after school hours.

**Q. Does Timbercrest offer and Clubs for students? Can you sign up for National Junior Honor Society?**

- Timbercrest has a number of clubs that meet regularly. Club offerings vary from year to year. The only requirement for participation is an ASB card. 2019-20 Clubs include: French, Magic Card, Learn to Code, GSA, Math, and Robotics.
National Junior Honor Society has very specific requirements students must meet to qualify. Please see the NJHS link on our Timbercrest website for detailed information and forms.

Health/Fitness Uniform FAQs

Q. What is the required dress code for Health Fitness?
   • With no exceptions, the following dress code is required of all Health/Fitness students.
     o A purchased Timbercrest uniform, or
     o Student provided charcoal grey T-shirt (no logos, no V-neck, no sleeveless) and
       black shorts with a minimum 7-inch inseam or black sweat pants. No logo on
       shorts or pants and no yoga pants. Student's name is required on front or back of
       the T-shirt (first initial and last name – hand written is okay.)
   If it is cold outside, personal jackets and sweatshirts will be allowed for warmth/dry purposes.

Q: Why dress code and uniform requirements for Health/Fitness?
   • The uniform brings a positive level of consistency to our department and our students.
     We currently have regulations on the dress code in our classes for fitness reasons, but
     with the streamline uniform requirements, we are confident the students will have an
     increased sense of equality, ownership, and community. This will create a more
     inclusive environment and support those that may otherwise be left out due to
     socioeconomic status, clothing choices, and/or lack of proper athletic clothing.

Q: How do I order the uniform?
   • Uniforms can be purchased at the main office at the beginning of the school year (cash
     or check payable to TMS ASB) or online through Touchbase (schoolsales.nsd.org) The online store will open on August 10, 2020. Purchased PE
     clothes will be passed out during PE class.

Q: How much does it cost?
   • T-Shirt - $7.00  Shorts - $9.00
   • Cinch Sack - $5.00  Full Set - $20.00

Q: What if we can’t afford the uniform or provide for the dress code requirements?
   • Scholarships are available. Please contact Brigitte Wheeler at bwheeler@nsd.org
