(Note: Individuals with COVID-19 signs and symptoms will be excluded from participating and attending the ceremony.)

- Strict social distancing guidelines will be in place for all graduates and guests. Attendees will be asked to sit in the designated areas and adhere to the social distancing guidelines issued by local, state, and national health agencies/authorities.
- Masks, branded with our high school logo, will be provided for graduates and they will be expected to wear them throughout the ceremony.
- Hand sanitizing stations will be available at all entrances.
- Per TEA guidelines, and consistent with actions taken by many institutions across the state, attendees are encouraged to wear face cloth face coverings (over the nose and mouth) while inside the facility or coming in contact within six feet of another person who is not a member of that person's household.

I will continue to provide more details concerning graduation and the venue as our plans develop further. As a reminder, be sure to reach out to your teachers and counselor to ensure you are passing your classes, which will allow to graduate and walk the stage on June 2nd. If you have any questions or concerns, please email me at antonio.avalos@springbranchisd.com.

Hope to see you all on June 2nd,

Dr. Antonio Avalos
