

Seniors:

On the following pages, you will find the schedule for our video recording. Students should report at their designated time and avoid being early or late. If you are not on time, it will disrupt this process for which timing is critical. If for some reason, you or your student is not on this list and you believe that he/she should be, please let us know by emailing Julia Carter at carterj@lpisd.org.

Each student will be allowed to have 4 guests attend the recording. Guests should arrive at the same time as their students. Students will park in the Sr. parking lot and enter at the PEC entrance. Guests will park in the new parking lot near the tennis courts and enter on the north side of the Bulldog Centre. If students and their guests ride together, parents can drop the student off at the appropriate location and then pick up him/her afterwards. Police officers will be at both of those areas to assist.

After having walked across the stage, students will immediately exit through the Fine Arts Hallway and make their way to their vehicles. Guests will exit the north side of the Bulldog Centre to make their way back to their vehicles. Students and guests will not be allowed congregate in the parking lot.

The Valedictorian, Salutatorian, Class President, and Student Council President remarks will be recorded on Wednesday, May 13. I will be contacting these individuals separately to schedule times.

Please remember...we are recording this ceremony prior to grades being final. Participation in this process is not a guarantee that students are graduating. Keep working hard on your classes!!
