"Hello,

I just wanted to thank you for the great lesson plan we received yesterday. It was really good to use these resources and to have something so precise. Our son especially enjoyed to prepare a snack for the animal and enjoyed a lot the story and wanted to listen to it twice !

We did a lot of the activities but not yet the craft of the box. We'll send a picture when it'll be done.

Thank you one more time for your great work !

Take care of yourself."
