OUR SCHOOL AND COMMUNITY

Monticello High School (MoHS) is one of three comprehensive public high schools in Albemarle County. Named for Thomas Jefferson's historical mountainside estate, "Monticello" means "little mountain" in Old Italian. Monticello High School is located two hours south of Washington, D.C. and one hour west of Richmond, VA. Monticello High has an enrollment of approximately 1150 students, servicing grades 9-12. Monticello operates on a modified block schedule. Classes are offered either yearlong, meeting every other day or for one semester, meeting every day.

CURRICULUM

Monticello High offers a comprehensive curriculum that stresses academics, but includes ample opportunity for students to study the fine arts as well as vocational courses at the local CATEC School. Our programs with University of Virginia and Piedmont Virginia Community College allow students to enroll in college courses for dual credit. In addition, extracurricular opportunities through groups like the Key Club, Robotics Team, and Habitat for Humanity Club, as well as all of the honors societies, give students a chance to get involved in the school and the community.

Advancement Via Individual Determination is a college readiness system for elementary through higher education that is designed to increase school wide learning and performance. The AVID College Readiness System (ACRS) accelerates student learning, uses research based methods of effective instruction, provides meaningful and motivational professional learning, and acts as a catalyst for systemic reform and change." - AVID.org

The Charlottesville Albemarle Technical Education Center is a regional technical education center serving students in central Virginia. They are jointly operated by Albemarle County Public Schools and Charlottesville City Public Schools. High school students can study Pharmacy Technology, Dental Assistance, Music Industry Technology, Auto Body Repair, Auto Technology, Barbering, Cosmetology, Culinary Arts, Building Trades, Masonry, EMT/Firefighting, and Nurse Assistant. CATEC classes are taught during the regular school day.

HONORS CLASSES: English 9,10,11; World History II, World Geography, Geometry, Algebra II, Trigonometry/Math Analysis, Math Analysis/Pre-Calculus, Earth Science, Biology, Chemistry, Animal Studies, Anatomy/Physiology, French IV, Spanish IV, German IV, Latin III, and Latin IV.

The Health and Medical Sciences Academy (HMSA) is designed to prepare students for college and/or career pathways in the Health Sciences. Academy students will explore an integrated curriculum through the lens of Health Sciences and Research. During their junior and senior year, students will have additional opportunities to support their academic aspirations in Health Science Careers that may include but are not limited to: Case Studies, Internships, Clinical Rotations, Site Visits/Tours, and College Visits.

ADVANCED PLACEMENT CLASSES: English Language, English Literature, US History, US Government, European History, World History, Human Geography, French, Spanish, Latin, German, Psychology, Statistics, Calculus AB/BC, Biology, Chemistry, Physics 1, C Environmental Science, and Microeconomics.

DUAL ENROLLMENT CLASSES: English 111/112, US History 121/122, US Government 211/212, Psychology 200/230, Principles of Management 200, Culinary Arts*, and Architectural Drafting 121*.

*These courses were not offered during the 2016-2017 school year.

Honors, HMSA, AP, and PVCC courses move at a faster pace and go beyond the curriculum of the advanced level courses. Honors, HMSA, AP, and PVCC courses place major responsibility for student progress on the student. Students are expected to engage in self-instruction, independent work, readings, projects, and research. Courses where AP and PVCC are both offered (US/VA History, US/VA Government, English 12, and Psychology), we consider AP to be the highest options offered.

GPA

Albemarle County determines GPA by dividing the total grade points received by the total number of credits attempted in earning the points. The points are 4 for an A, 3 for a B, 2 for a C, 1 for a D, and 0 for an F. The highest unweighted GPA is 4.0. Students receiving a “pass” in a course designated as pass/fail are credited with completion of the course, but the grade from such a course is not included in the calculation of the GPA. Students receiving a “fail” in a pass/fail course receive a grade point of zero, which is included in the calculation of the GPA.
