

## **PRIVACY PROTECTION POLICY**

### **Use of Personal Information**

LOGOS respects the privacy of our online visitors and does not collect any personal information unless you voluntarily provide it by sending us e-mail, participating in a survey, or completing an on-line form. Personal information submitted will not be transferred to any non-affiliated third parties unless otherwise stated at the time of collection. When a user submits personally identifiable information, it is used only for the purpose stated at the time of collection. The following describes ways in which your information may be disclosed.

### **Consent**

Where consent for the use and disclosure of personal information is required, the school will seek consent from the appropriate person. In the case of a student's personal information, the school will seek the consent from the student and/or parent depending on the circumstances.

### **Secure Credit Card Transactions**

Logos cares about the safety and security of your online credit card transactions. Secure and trusted security measures, such as high-grade encryption and the https security protocol, are utilized for all transactions conducted on the LOGOS site. This makes it difficult for anyone to intercept credit card information sent to us. Companies we work with to process credit card transactions also use encryption and security protocols.

### **Cookies**

Visitors should be aware that non-personal information may be automatically collected at the LOGOS website through the use of "cookies". A cookie is a small text file stored by your browser that allows the website to "remember" your preferences such as calendar settings and site bookmarks on the site from visit to visit, or to maintain your "logged in" status when visiting protected areas. Usage of a cookie is in no way linked to any personally identifiable information while on our site. Web browsers have settings allowing you to reject cookies, or selectively accept cookies, or delete cookies previously accepted. LOGOS website uses cookies to obtain non-personal information from its visitors to improve their online experience and to evaluate the usage of the site.

### **Log Files**

Like most standard website servers, we use website statistic packages such as Google Analytics to analyze trends in how our website is accessed and utilized. Information monitored includes internet protocol (IP) addresses, geographic location of visitors (country, city), browser type, internet service provider (ISP), referring/exit pages, platform type, date/time stamp, time spent on pages, and keywords used to find our site via search engines. This information is anonymous and cannot be directly linked to individual users. We may use it to identify high-use or low-use areas of the site, pinpoint problem areas of the site, analyze broad demographic trends in our visitors, and make decisions about how to make it easier for people to find and navigate our website.

### **Links**

This website may contain links to other sites. Please be aware that we are not responsible for the privacy practices of such other sites. We encourage our users to be aware when they leave our site and to read the privacy statements of each and every Web site that collects personally identifiable information. This privacy statement applies solely to information collected by this website.

### **Security**

This website takes every precaution to protect our users' personal information. Whenever users submit personal information (such as contact info or credit card info) via online forms, registration, or online purchase, upon submission that information is encrypted via the highest level of SSL (Secured Sockets Layer) available. Servers that store personally identifiable information are in a secure environment. Under no circumstances are credit card numbers permanently stored on our website servers.

### **Contact Information**
