online registration and details.  
Questions, call 391-3197.

- read for prizes
- games
- compete for grand prizes
- take 'n' make activities

# IMAGINE YOUR STORY

## Come play, compete, win and read with Security Public Library's Annual Teen Summer Reading Program

The 2020 Summer Reading Program at SPL is a little different, but that doesn't mean that we don't have something new and fun to participate in every week. Nothing is obligatory — we have everything prepared and you choose what you want to do! There are games, puzzles, take 'n' make activities, prizes, and more!

### Reading Program

Register and get or print a reading log to start tracking how much you read. Every two hours you read, you earn an entry into the drawing for one of several grand prizes (up to 125 entries!). You earn guaranteed prizes when you've completed 10 and 20 hours of reading. See back for prize details.

### Extras

Registration is not required for weekly activities. You can do, or not do, any thing you choose. However, all good things must come to an end so watch out for due dates!

### Corona Virus Effects

Always visit [securitypubliclibrary.org](http://securitypubliclibrary.org) for the most up to date information on participation, how to collect prizes, how to record grand prize entries, and weekly activities! Call 719-391-3197 or email [hansonk@wsd3.org](mailto:hansonk@wsd3.org) with questions.

\*Until further notice, face masks are required to enter building (when open to the public).
