

# Dream up your story.

**@ SECURITY PUBLIC  
LIBRARY**

**SUMMER READING PROGRAM JUNE 1-AUGUST 1**

**While library services will look different this year, we are still excited to bring our reading program to your home this summer!**

Kids Prek-5 are invited to participate in our reading program- and we've made it easier than ever! Beginning June 1 you can either print a reading log from our website- [securitypubliclibrary.org](http://securitypubliclibrary.org) - or visit our book drop and grab one there. Keep track of minutes read to earn beads to add to your Summer Reading Brag Tag Necklace or Keychain as well as entries into our grand prize drawings. Due to Covid-19 our procedures are ever evolving so be sure to check our website when you are ready to turn in your log for the most updated information about how to do that.

Kids can read to themselves, to someone else, be read to or even listen to an audio book! Any kind of reading counts. Be sure to check out all our amazing e-books and e-audio books on our website or call us for our curbside service @ 391-3196.

Each week look for new fun things happening on our social media pages from story time, Live STEM videos, games and contests! We will also have weekly take and makes you can pick up at the library and do at home! Want more information or have a question? Feel free to email us at [spl@wsd3.org](mailto:spl@wsd3.org)
