

2nd Grade Literacy Activities for the Week of May 18-22

In reading, we'll use the book [Mercy Watson to the Rescue](#) to help us study chapter books. If you need more books to read try the [Abdo Digital Bookshelf](#) or [MyOn](#). In phonics, students will work on troublemaker words. In writing, students will work on stretching out parts of the story and writing with phonics and punctuation in mind.

Our librarian, Ms. Mann, asked us to remind students to vote for their favorite book for the [Children's Choice Book Awards!](#) You can listen to the books and vote on the linked pages.

On days where there is not a reading or writing lesson, we've suggested an amount of independent practice time that would be appropriate for most 2nd graders. Please adjust these to your child's learning needs.
