

# Backyard Birdcall Bingo

## AN OUTDOOR STRETCH DAY ACTIVITY

Enjoy the return of spring with this fun version of bingo!

- First, determine what the winning bingo pattern will be: vertical, horizontal, diagonal, 4 corners, X, etc.
- Match the birds to their bird calls and mark them off with a pen or marker.
- The first person to find the correct matches wins!

(Note: birds can sing any time of the day, but at dawn or earlier they are louder, livelier and more frequent!)

Not sure which bird you are hearing? Don't worry - you can always check. There are lots of good resources online - one of the best is [allaboutbirds.org](http://allaboutbirds.org).

Then, share your fun! Share a picture of your completed bingo card with us. Use this google form:
