

# Neighborhood Scavenger Hunt

## AN OUTDOOR STRETCH DAY ACTIVITY

(Adapted from Mass Audubon)

Invite a few family members on a walk to hunt for these objects in nature. You will be amazed at what you can find.

You can make it a competition to see who finds the most items, or work together to complete the whole checklist.

Were you able to find all the items? What item was the hardest? Which was the most surprising?

We would love to see what you found, so please share a picture of your scavenger hunt with us. Use this google form: <https://forms.gle/NFYKH9hfy5n3S3ug6>
