

Teachers' Note:

Hello kindergarten families! We are so proud of all the work that you are doing at home! We see evidence of your learning through the pictures, videos, and even through zoom meetings! It is so fun to see all you are doing. Please take a moment to pat yourself on the back – it is not easy to do this work, and you are all doing a great job.

We are excited to share your new activities for this week. You will be doing some very fun reading, writing, counting, and thinking! Don't forget to check out the science, music, and PE activities as well!

Happy Learning!

Counting Collections

1. Find a collection of something to count – rocks, spoons, socks, anything will work!
2. Gather any tools you might want to use – ten frames, paper, pencil, number chart, cups, etc.
3. Count how many are in the collection. How do you know?
4. Draw a picture to record what and how you counted.

Tuesday:

Each day we will be posting activities for literacy – but don't forget the most important thing! You should read and write EVERY DAY! Find a special spot, snuggle in, and have fun!

Writing-

Mrs. Willis is going to teach you about building your writing stamina. In Kindergarten you were writing for 30 min! You might not be writing that long at home but set a goal for yourself and see if you can write longer and longer each day!

How to write a true story:

How to Write a True Story

1. Think of something that happened or what you did.
2. Tell what happened with pictures or words
 - Tell who is in the story.
 - Tell where the story is taking place
 - Tell what is happening

“When you're done... you've just begun!

Math-

Ms. White (our Math Coach) will be talking to you about math fluency within 5. She will teach you a fun game to practice your math facts within 5! Happy counting!
