- Enrollment has decreased by approx 2,100 students (12%)
- School sites have increased from 31 to 37
- Budget has decreased by \$35.4MM (14%)

KCPS Enrollment PK-12

School Driven Process

School Improvement Advisory Committees (SIACs)

The charge of each SIAC is twofold:

1. Confirm/revise strategies to ensure your individual school achieves and sustains full accreditation
2. Identify strategies to increase enrollment through retention and attraction

How will SIACs' work be used?

Strategies developed by the SIACs will be used to:

1. Update school improvement plans
2. Guide the master plan
3. Help set future budget priorities
4. Guide the districtwide path to full accreditation
