BACKGROUND INFORMATION

What's it going to take for Kansas City Public Schools (KCPS) to regain full accreditation? What's it going to take for your school to regain/sustain full accreditation? How can we retain and attract students? In order to answer these questions and more, School Improvement Advisory Committees (SIACs) will begin work in Fall 2014 to address strategies for each KCPS school and the district as a whole. Each's school SIAC will include representatives from school staff, parents and the community.

Each KCPS school is seeking parents interested in serving on the SIAC. The committee will meet monthly through the end of the school year. Hard copy applications are available at all KCPS schools, at the KCPS Board of Education, 1211 McGee Street, Kansas City, MO or from the District Advisory Council.

The deadline to submit an application is 4pm on Friday, October 10, 2014. Selected applicants will be contacted by phone/email by October 24, 2014.

For more information, please contact your school principal or email at siac@kcpublicschools.org.
