

Don't let a constitutional amendment  
take a **one-size-fits-all**  
approach to our students.

**THIS CONSTITUTIONAL AMENDMENT WILL:**

- **Take local control** of our schools away from parents, teachers and school districts and hand it over to Jefferson City politicians.
- **Force taxpayers** to pay for costly government-mandated standardized tests even though school funding is already a problem.
- **Force teachers** to teach to a test rather than focusing on actual instruction and learning.

**PROTECT OUR LOCAL SCHOOLS.  
KEEP OUR LOCAL CONTROL.**

**VOTE NO ON 3**
