Transportation Overview:

Students can take regular bus routes from home to boundary high schools (Richland High or Hanford High) or use Ben Franklin Transit with a pass provided by the district. Routes and times are published in the TC Herald and on District Website. Follow these instructions:

Go to: www.rsd.edu.

Hover over 2019-20 tab and drop down to “bus routes”. Click bus routes tab and follow the link to PDF version of bus routes. Locate your street, or closest street to your home address.

Ben-Franklin Transit. For students who choose to ride BFT to Delta, instead of the district bus, a monthly bus pass will be issued at no cost. Students can pick up their transit pass at the Delta cafeteria during lunch, typically on the last Monday of the month. Students are responsible for picking up their pass on the designated day in the cafeteria. If a student does not pick up their pass on the designated day, they will need to pick it up at the RSD Transportation office in Richland.

**For September, students need to pick up their BFT pass at the RSD Transportation Office. For Route information, got to www.bft.org.
