

Our summer work is from our textbook for this coming school year.

The expectation is that you will buy the book. The expectation for this summer assignment is that you will read the information in the first chapter to help you complete the assigned problems. Almost all of it should be review from previous years work.

Please e-mail Mr.McCandless kmccandless@tiltonschool.org with any questions.

Textbook

Calculus AP Edition
Briggs, Cochran, Gillett and Schultz
